

bali afternoon lounge

DETAILS

Crafted out of elegant high-grade teak in Indonesia, the Bali afternoon lounge is suitable for indoor and outdoor use. The all-weather synthetic rattan is non-toxic, fully recyclable, and UV-stabilized for style, substance, and endurance. Designed in Southern California, this piece is in collaboration with Sean Woolsey and is handmade by artisans in Indonesia. To infuse calm, place her near a window to welcome the sunrise or sunset.

MATERIALS

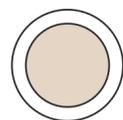

Woven from ultra-durable and 100% recyclable synthetic rattan. Indonesian teak is weather and life-proof. Full of beautiful color variation, we source young teak to prevent deforestation.
