

## bench #2

### DETAILS

This mid-century Scandinavian bench is a showpiece in any room. Bench #2 is crafted from locally sourced high-grade teak treated with a neutral outdoor finish. The synthetic rattan matches the texture and aesthetic of a natural fiber but is UV-treated to make it suitable for outdoor use. Equally beautiful indoors, especially for young families, this bench can be taken outside and rinsed off. Place her at the foot of the bed, an entryway, or any nook in the home to welcome a moment of tranquility.

### MATERIALS

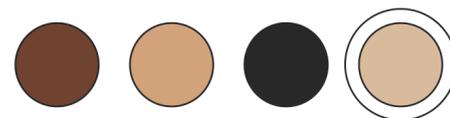

Woven from ultra-durable and 100% recyclable synthetic rattan. Indonesian teak is weather and life-proof. Full of beautiful color variation, we source young teak to prevent deforestation.
