

dining #1

DETAILS

Ease into our mid-century Scandinavian dining chair with a modern laid-back vibe. The dining #1 chair is made from American walnut and treated to a neutral, matte finish. The full-grain leather is vegetable-tanned, dry-dyed and finished with an opaque leather sealant to prevent patinas. Ideal as a dining set, breakfast nook centerpiece, or statement office chair. Ink is our most stain-resistant leather color.

MATERIALS

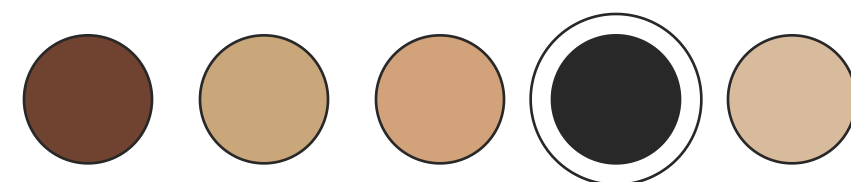

Vegetable-tanned leather, zero chromium.
Finished with a water-resistant top-coat to prime and protect.
Sustainably-sourced American walnut is naturally rich and dark, with subtle gorgeous grain throughout.
