

dining #1

DETAILS

Ease into our mid-century Scandinavian dining chair with a modern laid-back vibe. The dining #1 chair is made from locally sourced high-grade teak and treated to a beautiful neutral outdoor finish. The synthetic rattan matches the texture and aesthetic of a natural fiber but is UV-treated to make it suitable for outdoor use. Equally beautiful indoors, especially for young families, these chairs can be taken outside and rinsed off.

MATERIALS

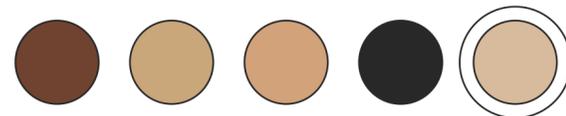

Woven from synthetic rattan, inspired by Scandinavian design. Ultra-durable and 100% recyclable. Indonesian teak is weather and life-proof. Full of beautiful color variation, we source young teak to prevent deforestation.
