

dining #1

DETAILS

Ease into our mid-century Scandinavian dining chair with a modern laid-back vibe. The dining #1 chair is made from American white oak and treated to a striking neutral finish. The full-grain leather is vegetable-tanned, highlighting the natural texture of the hide while reducing our environmental footprint. The leather is finished with an anti-UV topcoat to protect against discoloration and stains. Ideal as a dining set, breakfast nook centerpiece, or statement office chair. Whiskey is our most versatile color story and a great stain-friendly option.
