

# headboard #1

## DETAILS

This mid-century modern classic woven headboard dresses up any bedroom. Headboard #1 is beautifully versatile, made with American white oak and treated with an anti-yellow finish. The full-grain leather is vegetable-tanned, highlighting the natural texture of the hide while reducing our environmental footprint. The leather is finished with an anti-UV topcoat to protect against discoloration and stains. Pairs nicely with platform beds and includes wall-mounting hardware. Whiskey is our most versatile color story and a great stain-friendly option.
