

# freda razor counter stool

## DETAILS

Discover our latest Editions release—a limited collection of numbered pieces inspired by vintage finds and heirloom treasures.

The Freda Razor Counter Stool has playful wavy lines inspired by French mid-century designs, and plays wonderfully in a mix-and-match set with the Freda Wave. The paper cord seat is both low-impact and durable, while the sustainably-sourced white oak is finished with an anti-yellowing treatment to keep the wood bright for years to come.
