

Ashby Nightstand

In Brown Oak

The Ashby Nightstand pairs the clean lines of mid-century design with the rich texture of natural materials.

Crafted from solid brown oak, its inset Turkish travertine top brings quiet contrast while offering a durable stone surface that's resistant to heat and moisture. Two soft-close drawers keep essentials tucked neatly away, while the open center shelf creates an easy place for books, devices, or the pieces you reach for most. Matte antique brass pulls complete the understated silhouette.
