

Bali Lounge Chair In Classic Teak & Synthetic Paper Cord

Made for slowing down, the Bali Lounge offers a comfortable, durable place to unwind.

Handwoven outdoor synthetic paper cord wraps a solid teak frame, creating a look that's sleek, stylish, and surprisingly versatile. UV-stabilized and suitable for indoor and outdoor spaces, it's built to hold up beautifully over time.

From slow mornings to sun-drenched afternoons and evenings outdoors, it's a piece that invites you to stay a little longer.
