

Henrik Counter Stool In White Oak & Cognac Leather

The Henrik Counter Stool features a distinctive floating cognac leather seat, bringing a sense of effortless sophistication to any space.

Crafted from full-grain, vegetable-tanned leather, each seat is finished with a UV- and water-resistant topcoat to help prevent discoloration and resist everyday stains, wiping clean with ease. Designed to stand up to everyday life, Henrik balances durability with unexpected comfort, made for slow mornings, casual dining, and everything in between.
