

Rhys Nesting Tables

In Brown Oak

The Rhys Nesting Tables draw inspiration from vintage European furniture, balancing sculptural form with everyday function.

Handcrafted from solid brown oak, each table features hand-carved tapered legs with shaved details, and softly rounded rectangular tops. Their monolithic silhouette nods to Dutch Brutalist design while retaining modern warmth and craftsmanship.

Nest them together to save space or style them separately beside a sofa, favorite chair, or bedside. Thoughtfully designed to move effortlessly throughout the home, Rhys is as practical as it is enduring.
