

## Twist Side Table In Brown Oak

A Häti best seller, the Twist Side Table is an endlessly versatile and distinctive accent piece.

Each leg is hand-sculpted by artisans, giving every table a subtle variation that makes it uniquely its own. Crafted from white oak and finished in a classic brown stain, it brings a soft, grounded feel to any space. Compact and adaptable, it works just as easily as a side table or a small stool—moving effortlessly from room to room.
